

What other services does the AUTH Library offer me?

Reading rooms: All AUTH Library Branches have some reading space. There is also the Main Student Reading Room with a capacity of 1334 seats.

PC labs: Many libraries host PC labs for bibliographic search purposes

Photocopying: Photocopiers with use of pre-paid cards

Training: User training seminars on bibliographic search and use of specialized resources offered by the Central Library User training team or your School's Librarian.

eCourses: Find the course material that your professors have uploaded in the eLearning Management System.

Welcome. © WaywardShinobi via Flickr

Welcome to Aristotle University of Thessaloniki!

Do not miss the valuable services that the AUTH Library has to offer you!

Library card

Your academic ID (passo) is used as a library card.

How? Have your academic ID activated as a library card at your School's Library. Full list of all Library Branches is available at:

www.lib.auth.gr > Libraries > Branches

When? As soon as you receive your academic ID

What? Use your academic ID/Library card to :

- Borrow books from the Central Library and all its Branches
- Check online your borrowing status (you have to give the library a desired PIN for this case)

Library website

Use the library website to:

- Search for books, printed and electronic journals, bibliographic databases
- Be informed about your School's Library, its opening hours and contact with the library staff
- Check the services that the Library offers to AUTH students
- Browse special collections that the Library holds
- Check for library - related news, and
- Get help about various issues (Guides, FAQs)

How can I find books?

Search for books through the library website homepage (1) or use the unified search mechanism <http://search.lib.auth.gr>

To borrow a book:

- Search the Library Catalog,
- Note down
 - The Library Branch that holds it,
 - Its call number, and
 - The collection it belongs to.
- Locate the book on the shelf
- Borrow it for 15 days using your library card
- Renew the book's loan period if you need it for more days

How can I find other types of material?

- Printed journals titles from the Catalog menu (1)
- Bibliographic databases and trustable open access resources from the Sources menu (2)
- Online articles and e-journals titles from the Articles-Journals menu (3)
- Library webpages from the Website menu (4)
