The Scientific Committee invites all interested parties to submit **full papers** covering the thematic units of the Conference presented above.

**The categories of papers that can be submitted are as follows:**

- Papers for oral presentation
- Papers for poster presentation
- Proposals for workshop sessions

### Important dates

- **1st Announcement: 16 October 2023**
- **2nd Announcement: 16 November 2023**
- **3rd Announcement: 15 December 2023**
- **Start of submission of papers: 16 October 2023**
- **Deadline for submission of papers: 8 January 2024**
- **Notification of acceptance of papers: 8 February 2024**
- **Announcement of the program: 22 February 2024**
- **Conference dates: 1-3 March 2024**

### Terms, Specifications and Submission Procedure for Papers:

- In order to participate in the Conference, registration on the Conference's paper management website is required:  
<https://conf.pdekritis.gr/index.php/conferences/conf5> .  
**Full texts** of all papers (oral presentation, poster presentation, workshop proposal) should be submitted by January 8th, 2024.
- The **papers** can be **either in Greek or English**. In the case of submitting a full text in Greek, the abstract should also be submitted in both Greek and English.
- **Non Greek speakers** can submit their paper according to the instructions at the following link: <https://5conf.pdekritis.gr/en-instructions>
- Papers submitted to the Conference, must be original and must not have been submitted or published in whole or in part, elsewhere.
- Presenters will conduct their presentations or workshops in person at the Conference venue. In exceptional cases, a limited number of presentations may be conducted in a synchronous way online.
- Each presenter can participate with either: a) one to two presentations (oral or poster) or b) one to two workshops, either alone or as a co-presenter. In any case, the number of presenters in one presentation or workshop should not exceed three.
- Oral presentations should not exceed 15 minutes and workshops 90 minutes. There will be time for discussion at the end of each session.
- Download the guidelines and the "Sample Submission File" in PDF & .docx:
  - [Guidelines for the content, length, and formatting of papers \(oral presentation / poster presentation / workshop\). \[docx\]](#)
  - [Guidelines for the content, length, and formatting of papers \(oral presentation / poster presentation / workshop\). \[pdf\]](#)
- Paper presentation is a prerequisite in order to be given a certificate of attendance as well as for the publication of the full text in the proceedings of the Conference.

### **Evaluation of Papers and Publication of Proceedings:**

- The complete texts of all announcements and workshops will be subject to anonymous evaluation by two (2) independent reviewers of the Scientific Committee, based on scientific ethics, quality, and originality, according to the specifications (content and formatting) that have been announced. In case of disagreement between the two reviewers, the paper will be assigned to a third reviewer for the final evaluation.
- In order for a paper to be accepted for presentation and publication in the Conference Proceedings, it must receive a positive evaluation from at least two (2) members of the review committee.
- The reviewers' comments are communicated anonymously to the authors. The result of the evaluation may be the acceptance of the paper for publication, acceptance under conditions, or rejection.
- The full texts of the papers will be included in the electronic version of the Conference Proceedings (with ISBN).

Invitation to participate in the Scientific Committee (panel of reviewers) and related application will be posted on the Conference website soon.

### **Information for participants:**

There is no participation fee, neither for the presenters nor for the participants.
