19 October 2026

Aristotle University (AUTH) is organizing a major welcome event for first-year students for the 2026–2027 academic year tomorrow, Tuesday, 20 October 2026, at 11:00, at Nick Galis Hall, in the Alexandreio Melathron (Palais des Sports).

The “Welcome to AUTH 2026” event marks the beginning of university life for the newest members of the academic community. The day is dedicated to helping them get to know the University and discover the opportunities it offers.

The programme combines information about AUTH’s Schools, Departments and services with music, dance, interactive activities and surprises, creating a lively and welcoming atmosphere for the new students.

Dance performances featuring Pontic, Cretan and Macedonian dances will be among the highlights of the programme, with the participation of the School of Physical Education and Sport Science and the University Gymnasium. The event will also include an awards ceremony for athletes, highlighting the importance of sports in University life.

After the event, students will have the opportunity to visit student groups in the outdoor area and meet representatives of the University’s various structures and services.

The event is held with the support of DEI (Public Power Corporation).
