PRESS RELEASE

**Event Honoring the 111 Members of the University Community Who
Are Retiring**

Thessaloniki, 26/8/2026

Aristotle University will honor 111 members of its university community who are retiring at the end of the 2025–2026 academic year at a special event, which will take place on Thursday, 27 August 2026, at 20:30, in the Ceremony Hall of Aristotle University.

The event aims to highlight the long-standing contribution of the people who served the University in different positions and roles, contributing every day to the institution's operation, development, and academic progress.

At the same time, the event aims to highlight the continuity and enduring character of Aristotle University. The departing members form an integral part of the University's history and leave behind a significant legacy that will be carried forward to future generations of the academic community.

The event will be broadcast live at: <https://audiovisual.auth.gr/video/121861>

The event is not open to the public.

Attached is the detailed list of the members of the Aristotle University community who are retiring.

We kindly request that this event be published, broadcast, and covered by the media.
