

## CALL FOR APPLICATIONS

**The School of Film of Aristotle University** (Thessaloniki, Greece) is accepting applications for its MA in Film & Television Studies program, which starts in October 2023.

**Where:** School of Film, Thessaloniki, Greece

**When:** Application period: February 13 – June 16, 2023

**Deadline for applications:** 16 June 2023 at 3pm (GMT+2)

The Anglophone MA Program “Film and Television Studies” is an intensive three-semester program focused on the specialization and cultivation of advanced skills and knowledge of film and television studies of theoretical/historical orientation, the advancement of academic research, as well as the promotion of new scientific knowledge.

The program is taught by scholars of international standing and is designed to ensure your mastering the political, industrial, historical and aesthetic dimensions of film and television through a range of academic perspectives.

### Eligibility criteria:

The categories of candidates that can be accepted in the Postgraduate Program of the School of Film are:

1. Holders of bachelor’s degrees from Greek Higher Education Institutions or recognized foreign institutions of equivalent status<sup>1</sup>, as long as they submit officially recognized degrees.
2. A Postgraduate Diploma cannot be awarded to a student whose bachelor degree from a foreign institution is not recognized by the Hellenic National Academic Recognition Information Center (NARIC) according to Law 3328/2005 (A' 80).
3. Members of the categories Special Scientific Personnel (SSP), Laboratory

- 
1. **Important note:** Foreign students have to make sure that their institution is recognized by the Hellenic National Academic Recognition Information Center (NARIC) according to Law 3328/2005 (A' 80) before they apply by visiting their site and checking the list of recognized institutions. This is a paramount step in the application process for foreign students as a Postgraduate Diploma cannot be awarded to a student whose bachelor degree comes from a foreign institution that is not recognized by NARIC.

Educational Staff (LES) and Special Technical Laboratory Staff (STLS) as long as they fulfill the requirements of the first passage of paragraph 1, article 34. Only one student of these categories can enroll as extra per year and per PP.
