PRESS RELEASE

**Information Campaign on Sexually Transmitted Infections at the Aristotle
University**

Thessaloniki, 27/11/2025

An information, awareness, and screening campaign on HIV (AIDS) and Sexually Transmitted Infections (STIs) is being organized by the Counseling and Testing Office for Sexual Health of the HCDCP (EODY) Thessaloniki, in collaboration with the Aristotle University, on Tuesday, 2 December 2025, from 9:30 to 14:30, in the outdoor area between the Administration Building and the Faculty of Law.

On the occasion of World AIDS Day (1 December), a Mobile Testing Unit, staffed with appropriately trained scientific personnel of the HCDCP (EODY), will conduct free rapid tests with pre- and post-test counseling. It will provide information on prevention and transmission routes for HIV, HBV/HCV, gonorrhea, chlamydia, syphilis, and other STIs. As part of the campaign, the HCDCP (EODY) will distribute relevant informational print material and condoms, aiming to promote safer sexual behavior.
