Call for Papers - Stuttgart, Germany**

Smart Cities and Sustainable Societies

Dear Professor,

The XII International Academic Studies Congress (ASC 2026 / FALL) will be held on November 24-26, 2026, in **Germany, hosted by Stuttgart Technical University of Applied Sciences.**

Under the main theme of "**Smart Cities and Sustainable Societies,**" the congress aims to provide an international academic platform open to researchers from all scientific disciplines, particularly social sciences, humanities, engineering, health sciences, and applied sciences.

The congress will be organized in a hybrid format, offering **both in-person and online** participation options. In addition, the scientific and editorial processes will be conducted in line with the goal of Web of Science (WoS) indexing, and full-text papers are planned to be submitted for WoS evaluation.

For academics who **need to apply for a visa to participate in Germany,** it is important that the acceptance processes are completed in a timely manner. In this regard, submitted abstracts are evaluated through a peer-review process, and acceptance letters for approved studies are sent within a short period of time.

Detailed information and paper submission:

<http://l2.c1613.rvtsmail.com/trc/sv/LT?H=2jt21y&R=10060809>

Paper submission system (CMT):

<http://l2.c1613.rvtsmail.com/trc/sv/LT?H=2jt21z&R=10060809>
