The screenshot shows the homepage of the ToSCA (Tomography for Scientific Advancement) website. The header features the ToSCA logo on the left and a navigation menu with links for Home, Conferences, About, Sponsors, Funding, and Contact. On the right of the header, there are links for Sign in and a prominent purple Join ToSCA button. The main content area has a dark background with the headline "Connecting the tomography community" in white and purple text. Below the headline, a subtext invites researchers and industry professionals to join international conferences. Three statistics are displayed: 13 Years running, 120+ Total attendees, and 50+ Countries represented. On the right, there is a large image of a 3D tomographic reconstruction of a fish skull, with a magnifying glass icon and the text "Enlarge" in the top right corner. Below the image is a carousel indicator with five dots, the second of which is filled. At the bottom of the image area, it says "Selected research from the ToSCA community".
